GREAT ROOM

The center of any home is the family, and this home was designed around the family. Each of the bedrooms as well as the kitchen and dining room open to a vaulted Great Room with a fireplace and six (6) french doors and windows that extend from the floor to the 14' ceiling, and that open to your private, landscaped 1/2 acre lot.

Fabulous Escape

Step into a home larger than it appears from the outside. 4 sets of French doors and floor-to-ceiling windows give almost every room a view of your private, 26,000 sq ft lot with a creek and mature trees.

Two (2) Master Bedrooms

Each room has a private bathroom, walk-in closets and vaulted ceilings.

Primary Master Suite

Luxuries include fireplace, double-French doors to large, private yard, skylight, 12' vaulted ceiling, large walk-in closet, and an amazingly modern designer bathroom complete with jacuzzi, walk-in shower, his/her basin and private toilet-closet.

Kitchen

Shaker cabinets finished in Alder-honey and wood floors, this kitchen is large, modern and functional. Built-in wine rack, 36" built-in appliances and crown molding. Double French doors open to the landscaped patio and large back yard. 11' x 8' bonus pantry.
